.. PRAYER UPDATES ..

Laura Goodwin

Our sweet Laura is with the Lord 10/1/2017
Please keep her children, grandchildren, and family in your prayers. That they will find comfort in the Lord, in His word, and be reassured.

Mildred Weathers - Daughter, Wendy, passed un-expectantly Sept. 30, 2017

Miller's (Ethnos 360) - After much difficulty with obtaining Parker's passport, it's finally arrived. This allows the Miller's to move forward with their return to Latin America.

Parker has been struggling with type 1 Diabetes but has been using the 'artificial pancreas' insulin pump for almost 2 months now (helps control his insulin levels) and it's going well.

"...the leadership of our sending church in the US, our leadership in our churches in Latin America and the leadership of our sending agency are all in agreement regarding our return. Three churches, one sending agency, two continents, several cultures, and sub-cultures: unity. Pretty amazing! We have purchased our tickets as well as other things that we need to return."
