PRAYER UPDATES

Tommy and Debi Connell - Please continue to pray for their daughter Caitlin Fuess, her husband Chris and their newborn baby Alphonse. Caitlin has been released from the hospital but Alphonse remains there a bit longer. He's showing improvement but still has fluid on his lungs, rapid breathing, and on a feeding tube.

Pray for peace for Caitlin as she is apart from baby Alphonse and for rapid healing so she can hold him. Pray Caitlin and Chris will depend on the Lord, to grow from this trial, and that their marriage relationship would strengthen as they look toward the Lord.

Chris & Margaret Segrest (Navigators) - We are training the Nav20s in Austin with a series called "Practicing the 9 Arts of Spiritual Conversations" in order to reach those lost souls God has put in our lives. Actions like noticing, praying, listening, asking questions, loving, welcoming, facilitating and serving together all pave the way for sharing our story of salvation and hope. We are praying that this training will help us lay the foundations for a great work of God with eternal repercussions. Please pray with us to that end.
