THE ADVENT OF
JOY
Hope, Peace, Love

⚡ PRAYER UPDATES ⚡

Sharon Frenn - Be in prayer for Sharon, it appears that she suffered a stroke recently, and is recuperating at the hospital. The doctors are giving hopeful news of a good recovery. Praise God!

The doctors have prescribed rest for Sharon, so the family is asking that we not visit right now. They are asking for text messages that her daughter Suzi can read to her, or you could call & leave her a voicemail too. She would love the encouragement!

Cathy Stamey (ICAN) - This year marks Cathy's 17th year at ICAN, with the joy of watching 1st graders grow and mature over the years.

It's break time, and I'm so thankful to have parent standby privileges for flights from here to Houston. I plan to depart on my Thursday evening (14th), flying through Honolulu with a few hours' stop to visit one of my brothers. My first flight looks very available. The availability for the nonstop flight from Honolulu to Atlanta (same day) looks a little questionable...praying not to get stuck in Honolulu...no, really!

From there I plan to make a quick weekend stop to visit grandbabies in S. Carolina. Afterwards, I'll need to go back through Atlanta, then on to Houston with arrival hopefully Monday, Dec. 18. Thank you for praying for good flight connections and good opportunities to share Christ with others along the way!

By the way, for my friends in the Houston area, I will need transportation to several appointments while I'm there, so please email to let me know if you're available to accompany me. I can share more information upon my arrival.
