PRAYER UPDATES

Bill and Linda Parker missionaries with Camino

Global: Spring update - As we wait for the peaches on the tree in our backyard we are reminded that Jesus-as the vine-desires to produce eternal fruit through us. We pray that the seeds planted and watered continue to produce fruit for His glory.

Pregnancy Help Center-Baby Bottle Blessings. Pray for PHC as they raise funds to help women facing an unexpected pregnancy.

Bob and Linnet Gupta missionaries with HBI Global:

It is so encouraging to hear from our students and trainees when they share with us how the training programs that HBI offers are making a great difference in their lives and ministry. It is much more encouraging to know that impact goes beyond their state or India and reaches to the neighboring countries or wherever God takes them to.
