

PRAYER UPDATES

Ron & Mikel Ann Pritz (One Challenge) - Praise be to God for sustaining Ron as he gave his seminar on Christian Leadership at the school in Manila where Ron earned his PhD. He was fighting a sinus infection and almost lost his voice but was able to complete the teaching. The president of the school sat in on much of the teaching, and in thanking Ron said, "I now realize that teaching from the Bible must be our foundation."

Chris & Margaret Segrest (Navigators) - Effective March 1st, became the new Nav20s Directors for Austin. They are still continuing to invest in seniors at UT but their main focus is on young professionals to help them live out the Great Commission right where they are. The Navigators leadership has recognized the importance of raising up disciples in our major cities in order to reach out to our increasingly diverse nation. The idea is to gather all the Nav staff in the city to collaborate and pray together, thus creating synergy and community.
