

PRAYER UPDATES

Marcia Vickers - Aunt, Florence Bouras, was supposed to have an urgent heart valve replacement on Wed., April 19th. The doctors have opted to put her on medication to see how she responds. They are not going to do surgery at this time, which is good news since she's in her seventies. Please continue to pray.

Greg & Dawn Sanford (New Tribes Mission) - In the middle of 3 straight weeks of Wayumi Course/ very intense program/ "We would sure appreciate your prayers for them (Students) and us. Our prayer is that the students who experience Wayumi would have open minds and hearts...Not only learn a bunch of stuff about church planting, language and culture learning, but God would speak to their hearts about serving Him with unreached tribal groups around the world."
